## February 8<sup>th</sup> Tournament Results

Sunday, February 8<sup>th</sup>, Saugeen Shafts hosted a 10 Ring Tournament despite the heavy snowfall the night before. Archers were able to travel from as far away as Bancroft and Fenlon Falls to compete. With lower than numbers than usual competing did not hamper the quality of the shooting.

In the Girls Pre Cub Compound division Maddison Green battled it out against Kendra Wright to claim first place. In the Boys cadet Recurve division Michael Deklerk showed his prowess in besting Lindsay's Zac Langley to take the gold medal.

The most exciting class to watch was the Mens Bowhunter Unlimited. When all the shooting was done Randy Rogers and James McCormack were tied with a score of 556. In order to break the tie they counted the X's in the centre of the 10 ring, only to find that they both scored 13 x's. It was down to counting the remainder of the 10's to determine the winner. Randy Rogers came out ahead with 18 -10's to James's 16- 10's.

The next action at Saugeen Shafts will be on February 22<sup>nd</sup> when they host the 2015 Ontario Regional 10 Ring Championships.
